Foundations For Living

3rd Annual SleepOut 2018

I am sleeping outside on September 21, 2018 to raise awareness of the homeless in Waupaca and to raise money so Foundations For Living can provide overnight shelter and supportive housing for people in Waupaca County.
In addition to raising money for a good cause, I can win a prize for the most money raised.

WILL YOU sponsor me as I SleepOut so others can SleepIn?
